Our Mission and Vision

Our mission at Timber Grove Elementary is to provide *all* students with outstanding teaching and learning in order for *all our children* to be globally competitive graduates.

Our vision is to work collaboratively with all Timber Grove Elementary families to improve student growth and achievement by:

- Ensuring a safe, orderly and caring learning environment.
- Teaching, modeling, and promoting positive character traits.
- Preparing *all* students to think critically, problem solve, create, and use technology to enhance knowledge and skills.
- Providing a personalized learning environment that is student centered, and collaborative.
- Offering frequent academic and self-development feedback to students. Communicating effectively in a timely manner.

We believe that in order to realize this mission, the home and school must work as a team. This handbook has been provided especially for you. The purpose of the handbook is to provide important information about our school.

Please do not hesitate to call or email us at any time. We welcome questions and concerns that may come up during the year. We look forward to our partnership as we keep the focus on the education of our children.

BCPS VISITOR SCREENING SYSTEM-Raptor

Once a visitor has identified themselves via the intercom at the front door, and the purpose of their visit has been approved, they will be asked to enter the office. All visitors must present valid and current government issued *photo* identification, such as a *Driver's License* or *MVA ID* card. This identification will then be scanned by the front office staff using the RAPTOR system. This system will screen all individuals through a database to identify registered sex offenders.

The process of scanning and reporting takes several minutes. Once your ID has been scanned, and you are approved, you do not need to scan your ID again for future visits. However, you still must present your photo ID card, and a visitor's pass will be issued for the time you are in the building.

This system will keep all of our students as safe as possible when they are in our care during the school day. We thank you for your cooperation, and understanding of this required visitor screening process.

SAFETY PLANS FOR TIMBER GROVE ELEMENTARY

The following emergency drills will be conducted with our entire student body at various times during the year, beginning with the first day of school. The emergency drills are as follows and will be unannounced for teachers and students:

- *Fire Drill*- All students, faculty and visitors will evacuate to a designated location outside the school building on school grounds. Fire drill routes are posted in each classroom. This type of drill is held twice in September, and then at least monthly during the school year.
- *Lock Down*- All students, faculty and visitors must immediately be contained in a classroom, or office that locks. Blinds are closed, and any doors with windows are covered. Students will move away from all doors and windows, as instructed by the teacher. This drill is held 2 times per year.
- *Rally Drill* - Three rally locations are identified at the beginning of the year, and teachers will take their students to one of the three designated locations outside the building. This drill is similar to a fire drill, but we use three locations, on school property, that are different than those of a fire drill. This drill is held 2 times per year.
- *Alert Status*- No students, faculty and visitors may leave the building. All blinds are closed, and *instruction will continue*, students and staff may move throughout the hallways, however no one may leave the building. This type of safety precaution is taken when we receive notice from the police or BCPS authorities, of a potentially dangerous situation in the surrounding community.
- *Severe Weather Alert*-Once we are notified of an impending critical weather event, we will immediately conduct a *severe weather drill*. All students, staff and visitors will be evacuated to a secure location, away from windows or potential danger from high winds. Students in the modular will be moved into the main building. We will conduct 2 of these drills per year.
- *Evacuation Drill*-All students, staff and visitors will be evacuated at least 500 yards from the main building. This evacuation will occur in the event of a potential danger within our building, such as a gas leak, or flood within the building.

Timber Grove Parent Calendar 2017-2018

August 2017

30 Take A Peek At Your Seat 2:00-3:00 p.m.
30 Kickball/Chalk-In 5:30 p.m.

September 2017

4 Labor Day – School Closed
5 First Full Day of School
Back To School Night
5:00-6:00 p.m. Grades PK, K, 1 and 2
6:30-7:30 p.m. Grades 3, 4 and 5
12 Ravens Spirit Day
15 First PTO Meeting 5:30-6:30 p.m. School Library
19 Rosh Hashanah – Schools Closed
21 Ice Cream Social 5:30-7:00 p.m.
25

October 2017

17 Block Party
19 PTO Meeting 5:30-6:30 p.m. School Library
20 Professional Development Day/MSEA – School Closed for Students
27 Safe Trick-or-Treat 5:30-6:30 p.m.

November 2017

3 End of 1st Marking Period – ½ Day for Students
11 Veterans Day
13-16 American Education Week
16 Report Cards Distributed- Schools Closed for PreK only conferences.
17 Elementary Parent Conference Day - no school for elementary schools
21 PTO Meeting 5:30-6:30 p.m. School Library
23-24 Thanksgiving Holiday
School Closed

December 2017

1 or 8 Talent Show
19 PTO Meeting 5:30-6:30 p.m. School Library
18-22 Spirit Week
22 Winter Break Begins at End of Day

January 2018

2 School Reopens: Happy New Year!
15 Schools Closed in Observance of Dr. Martin Luther King's Birthday
16 PTO Meeting 5:30-6:30 p.m. School Library
19 Second Marking Period Ends. School closes 3 hours early

February 2018

1 Report Cards Distributed
9 Parent's Night Out 6-9:30 p.m.
12-16 Book Fair During School Hours
15 Family Book Fair Night/Literacy Night 5:30-7:00 p.m.

19	Presidents' Day – School Closed
March 2018	
13	Parent Fair/Art Show
20	PTO Meeting 5:30-6:30 p.m. School Library
29	End of 3 rd Marking Period – ½ Day for Students
30	Schools Closed for Spring Break
April 2018	
2	Schools Closed for Spring Break
3	Schools Reopen
17	PTO Meeting 5:30-6:30 p.m. School Library
19	Report Cards Distributed
20	Orioles Spirit Day
24	STEM Fair
May 2018	
7	PreK/K Conference Day – School Closed for PreK & K Students
8	PreK Conference Day – School Closed for PreK Students
15	Last PTO Meeting 5:30-6:30 p.m. School Library
28	Memorial Day Observed – School Closed
June 2018	
14	Schools Close 3 Hours Early
15	Last Day of School-Schools Close 3 Hours Early

Play Keepers.....	410-363-2438

On the first **Tuesday** of each month, a newsletter will be sent home from the principal's office, which will keep you informed about the educational program, and other school news. Remember to look for the newsletter each month. The school's website will also post all previous newsletters and upcoming events. This handbook is also posted on the Timber Grove Elementary website.

Communicating with Teachers and Classroom Visits

The *best ways* to communicate with your child's teacher is by sending an email, writing a note in the student's agenda (grades 1-5), or by leaving a phone message for the teacher with the office staff. A list of teacher emails is listed below, and can also be found on the Timber Grove Elementary website, timbergroveeas.bcps.org.

Classroom visits and conferences by parents and other authorized individuals are encouraged. Such visits should be arranged through **the principal's office or with the classroom teacher prior to coming to school.**

The principal reserves the right to limit or schedule the visit in such a way to diminish or avoid disruption to the normal operation of the day as stated in BCPS Policy and Rule 1240.

BCPS ONE: Grade Reporting Online & Progress Reporting

All teachers in grades 1-5 will use BCPS ONE, *Engrade*, which is an online grade reporting system. Student grades and assignments will be posted periodically so that all parents can access their student's grades in a timely fashion. All parents will receive a link and a password in so they can go online and check their child's grades. Students will have access to the same link, which can be accessed from the internet from any device, at any time. More information will be forthcoming. Frequent and clear communication between home and school is essential to the education of our children. There are four reporting periods during the school year, when report cards will be distributed for students in grades 2-5.

- **November 16, 2017 - marking period 1**
- **February 1, 2018- marking period 2**
- **April 19, 2018- marking period 3**
- **Last day of school in June 15, 2018 - marking period 4**
- PreK, Kindergarten, and Grade 1 parents will attend individual parent conferences during the first marking period, instead of receiving a report card. Grade 1 students will receive a report card for remaining marking periods, as listed above.
- Elementary Conference day for all students is **November 17, 2017, following the 1st marking period report card distribution.**

Email Addresses for Homeroom Teachers **Pre-Kindergarten**

We R.O.A.R. for Timber Grove!

Timber Grove Elementary provides an education which includes values and character development. The letters R.O.A.R stand for:

- ✓ **RESPECTFUL**
- ✓ **ORGANIZED**
- ✓ **ALWAYS SAFE**
- ✓ **RESPONSIBLE AND READY**

We have a strict Anti-Bullying policy at Timber Grove that prohibits students from bullying other students. A person is bullied when he/she is exposed to intentional negative actions on the part of one or more students, and whose ability to participate in or benefit from the school's educational programs or activities is adversely affected. Bullying often occurs repeatedly and over time. When a bullying incident is reported to a staff member, the school counselor and administration interview all students involved and work to end the negative interactions, and apply consequences as indicated based on the BCPS Behavior Handbook. Parents will also be contacted if their child has been accused of bullying behavior, or if their child is a victim of such behavior

BCPS Student Behavior Handbook

All students are required to receive a copy of the BCPS Student Behavior Handbook during the first week of school. The principal and assistant principal will meet with each grade level to discuss the content of the handbook with all students. The handbook is then to be taken home by the child and shared with a parent. Once you have reviewed this manual with your child there is a page for you to sign, and have your child return to his/her teacher. This will then be collected and stored in the front office, and kept on file throughout the year.

School Hours

Our regular school day begins at 8:05 a.m. and ends at 2:50 p.m. Doors open 8:05 a.m. for breakfast. All students must be in their classrooms by 8:20 a.m. Students who are dropped off by car, should not arrive before 8:05 a.m. Teachers are on duty to supervise at 8:05 a.m. The school cannot assume responsibility for the supervision of your child prior to the start of the school day or once the school day has ended. Students enter the building at 8:05 a.m. when the bell rings.

Morning Arrival & Afternoon Dismissal- Student Safety is our Priority!

Arrival and dismissal is a busy time at Timber Grove Elementary, with an enrollment of more than 600 students. **Students and parents must use the sidewalks at all times. No one may walk across the carpool loop.** This is a safety issue, and will be strictly enforced. If you are picking up your child after school, please park on the school side of Academy Avenue. Your child will walk on the sidewalk, directly to your parked car. *PLEASE DO NOT PARK ACROSS THE STREET BECAUSE IT IS VERY DANGEROUS FOR STUDENTS TO CROSS BUSY ACADEMY AVENUE DURING ARRIVAL AND DISMISSAL.*

If you wish your child to leave school early **you are required to write a note** stating the name(s) of the person(s) who will be coming for your child. That individual must then provide proper identification, and submit their photo ID for scanning to office personnel. ***Students will not be permitted to go home with anyone who is not authorized by the parent in writing.***

Late Arrivals in the Morning

It is very important that all students arrive to school on time. A late arrival means that your student starts the day at a disadvantage. **All students are expected to be in their seats, ready to begin the instructional day at 8:20 a.m.** Students arriving after 8:20 a.m. are considered *late* and should follow these guidelines:

1. Enter through the front door and report to the office.
2. Students receive a late slip which they give to their classroom teacher.
3. An administrator or office staff member will walk younger students to class if needed.
4. Days tardy are reflected on the report card. Letters will be sent to parents of students with more than **5** late arrivals per quarter.

Leaving Before School Dismissal

If it is necessary for you to pick up your child prior to the end of the day:

- A note should be sent to the main office which includes the date, the child's first and last names, and the name of the child's teacher. If someone other than the parent/guardian will be picking up your child(ren) you **must send a note** with the person's name and relationship of the student for the office to allow your child(ren) to be dismissed.
- *When you arrive*, the office will need to first review photo ID before allowing you to enter the school. The office will then page your child to be dismissed.
- Upon leaving with your child, please sign the dismissal log in the office.
- Students may not be picked up early between **2:30 and 2:50 p.m.** Students are in transition and getting ready for dismissal.
- **If you must pick up your child early, please do so before 2:30 p.m.**

Emergency Early Dismissal Plan

At the beginning of each school year, parents will be asked to complete an **Emergency Early Dismissal Plan Form**. This form provides the school with specific instructions about where a child is to go in the event of an emergency, system wide, early school dismissal for inclement weather or excessive heat. Make sure to discuss emergency early dismissal plans with your child.

Rarely, there may be emergency events, such as a power outage, when Timber Grove is the only school to close. During such an event, Timber Grove Elementary is required by Baltimore County School Board policy to contact each parent's emergency numbers, before children can be released from school. We will attempt to make this contact by phone and also by email. In order for a child to be sent home on the bus, we must have verbal or email confirmation from his/her parent. Children will remain at school until parents can pick them up.

Please do not call the school for information about emergency closings. It is important that our phone lines remain open for incoming phone calls from the BCPS Central office during these times.

TIMBER GROVE CARPOOL PROCEDURES

You must display your carpool tag for both morning drop off and afternoon pick up.

MORNING CARPOOL DROP-OFF

The carpool loop, in front of the building, will be open at 8:05 a.m. for you to drop off students. **No students should be dropped off before 8:05 a.m.** Students dropped off after 8:20 a.m. will be considered late and need to be signed in at the office by his/her parent.

- ❖ When you enter the carpool loop, please pull down as far as possible. You will see bright green turtles placed in the loop so that all drivers know to pull up as far as possible. The staff assigned will direct you where to stop.
- ❖ It is very important that we demonstrate *patience* and *courtesy* as we wait in turn for the cars ahead of us to drop off their children.
- ❖ **Pulling out of line and around other cars is very dangerous and will not be allowed.**
- ❖ We also ask parents to be sure all backpacks and hugs are taken care of before you pull up to the drop off area. This will ensure smooth and continuous movement of the carpool line. *If you can't let your child out on the right side of the car, due to any problems with your car doors, you must drive to the teacher parking lot area, and staff will assist you. Letting a child out of the car on the driver's side is very dangerous due to potential passing cars.*

AFTERNOON CARPOOL PICK-UP

If you pick up your child by car, you should register for a carpool number. In order to register for a carpool number, please contact the front office or complete the form online at http://timbergroves.bcps.org/Carcar_pool_information/carpool_registration and click the link for registration. By displaying the carpool number, you will be given access to the front carpool loop in the afternoon.

- ❖ **You may not enter the carpool line without a number.**
- ❖ At **2:50 p.m.** carpool and van riders will be dismissed. Children will be dismissed to their cars in order of arrival. You must remain in your car while waiting for your child/children. Your child/children will be sent to you.
- ❖ **Pulling out of line and around cars is very dangerous and will not be allowed.**
- ❖ Once your child gets into the vehicle, encourage him/her to sit down and buckle up as quickly as possible so that the carpool line can flow smoothly. Please wait for the carpool line to move once your child has gotten into the car. Pulling out of line is very dangerous and will only be allowed when directed by a staff member.
- ❖ No child will be dismissed to a person who is not listed on the carpool registration form or who does not have a carpool number displayed in the front window.
- ❖ Anyone picking up a student without a number will have to park on Academy Avenue, or the parking lot, and come into the main office so proper identification can be verified.

- ❖ There is no parking in the carpool loop from 2:00-3:30 p.m. **Please do not park in the front loop when picking up children for early dismissal during these times.** You must park in the parking lot or on Academy Avenue, and walk to the front office to ensure that traffic does not get backed up in the carpool loop close to dismissal time.
- ❖ Purposeful disregard for our rules and procedures resulting in unsafe, disrespectful, or uncivil behaviors, towards any staff member, may result in carpool privileges being revoked.

If your child needs to be dismissed early, please know that you must be at school before 2:30 p.m. After 2:30 p.m. you will need to wait until regular dismissal begins at 2:50 p.m.

- ❖ There is no parking in the carpool loop from 2:00-3:30 p.m. **Please do not park in the front loop when picking up children for early dismissal during these times.** You must park in the parking lot or on Academy Avenue, and walk to the front office to ensure that traffic does not get backed up in the carpool loop close to dismissal time.

Dismissal of Walkers or Students who do not use the carpool loop procedures.

- ❖ At **2:45 p.m.**, all walkers in grade K-5 will be dismissed. If for any reason you need to change dismissal instructions for your child/children, please send the teacher a note or email and cc the office plindenbaum@bcps.org or trodriguez@bcps.org. Only verbal changes will be accepted for emergencies.

Inclement Weather/ Excessive Heat Closure Procedures

For information about inclement weather, please call 443-809-5555. Parents can also sign up for email updates at wbaltvnews.com. Parents can also access the Education Channel 73 or log onto www.bcps.org. **Please do not call the school. Our phone lines need to remain open for emergencies only.**

*Please note Timber Grove Elementary is not required to call parents concerning county-wide school closings as there are several hundred students in the school. Emergency closings may also mean that the phone lines are not in service. (The only exception is if Timber Grove is the only school to close due to an emergency such as a power outage. In that case, the school staff must have contact or email parents in order to release students.)

When it is decided that schools are to be closed for inclement weather or excessive heat, announcements will be made by local television and radio stations. Students and parents are, therefore, asked not to call the school for this information. A phone/text message will also be sent by the principal.

Delayed Openings and Early Dismissals

One hour delay – Students may enter the building at **9:05 a.m.** Our instructional day will begin at **9:20 a.m.** Breakfast will *not* be served on days where there is a one hour delay.

Two hour delay – Students may enter the building at **10:05 a.m.** Our instructional day will begin at **10:20 a.m.** Breakfast will *not* be served on days where there is a two hour delay.

One hour early dismissal - When the county calls for a one hour early dismissal, students will be dismissed one hour earlier than usual, at **1:50 p.m.** LUNCHES WILL BE SERVED TO STUDENTS AS USUAL.

Two hour early dismissal – When the county calls for a two hour early dismissal, students will be dismissed two hours earlier than usual, at **12:50 p.m.** **LUNCHES WILL BE SERVED TO STUDENTS.**

Three hour early dismissal – When the county calls for a three hour early dismissal, students will be dismissed three hours earlier than usual, at **11:50 p.m.** **LUNCHES WILL BE SERVED TO STUDENTS.**

School Records

- It is extremely important that the office be informed if any of your emergency contact information changes.
- An emergency contact information form, and permission for the administration of discretionary medications, will also need to be completed and returned by the end of the first week of school.
- The information on these forms is used to contact parents when a child becomes ill or is injured, therefore, the importance of up-to-date information is imperative.
- **If there is a custody situation with your child**, please make an appointment early in the year to meet with the principal or professional school counselor to discuss this matter. *Custody papers and other related legal documents are required to be on file at school.*

Volunteer Guidelines

Timber Grove Elementary has enjoyed the support of many parents in a variety of volunteer roles. We encourage your involvement in Timber Grove school programs. Volunteers can serve in both instructional and non-instructional roles. If you are interested in becoming a volunteer at school, please contact your child's teacher, the school counselor or the administration as to how you may be of assistance. All volunteers are to complete an application each year to volunteer with BCPS.

To ensure a safe and quiet learning environment, infants and younger siblings are not permitted in the classrooms while parents are volunteering. State Law and Baltimore County Public Schools require that all volunteers be trained annually in Child Abuse and Neglect policies and procedures prior to volunteering in the schoolhouse or chaperoning field trips. Volunteers are required to participate in school-based large group training or complete the online training program and obtain a certificate of completion.

Certificates and applications are to be presented to the school for further screening. Links to online training:

- <http://bcpsvolunteers.md.safeschools.com/register/0c626573> (new volunteers)
- <http://bcpsvolunteers.md.safeschools.com/login> (volunteers with an existing account)

Each school is required to have an application and certificate on file for each volunteer. You will need to submit an application and certificate to each school at which you plan to volunteer.

When you volunteer, please present a photo ID to the front office staff.

Transportation Regulation

Transportation provided by the county requires students to uphold the same behavioral expectations as those in our school. When students' behavior distracts the driver, it places the bus and the students' safety in jeopardy. When this happens, students may be denied the privilege of riding the bus to ensure the safety of others.

Students will be expected to ride their assigned bus to and from school and be picked up and discharged at the same stop. **Students are not allowed to ride other buses for arranged play**

dates. In case of emergency, the parent must call, or send in a note to Mrs. Lewis, assistant principal, for approval.

Withdrawal From School

If it is necessary to withdraw a child before the end of the school year, please inform the school several days in advance. It is necessary for the office and the teacher to prepare written information and records in preparation for the transfer of student data from one school to another. The school will need:

- Your new address
- The name and address of the new school.

Attendance

Your child is expected to attend school daily unless you have a legitimate (county accepted) reason for being absent. For example, *illness of student, death in the family, court summons, violent storms, religious holidays, state emergency, health exclusion, or suspension* are the only excused absences. Upon your child's return to school he/she will need to provide:

- A note explaining the reason for the absence
- The date(s) of the absence
- A parent signature

County policy considers absences due to vacations as "illegal" absences, and students are not to receive credit for work missed. We realize that vacations are an important part of family life. Though we cannot condone these vacations during times when school is in session, we do understand the need based on parents' work schedules. Also, many of the vacations taken by our families are in and of themselves educational. Therefore, we will continue to work with parents and students to make-up work that has been missed *when students return from their vacations.*

Absence Homework Policy

When a child misses school, work is saved by the teacher and given to the student when they return. Students will have the same number of days they were absent to make up the work (e.g. 5 days absent, 5 days to make up work). If makeup work is not completed in the time given, the student will not receive credit for the work.

Make-up Work for Prolonged Excused Absences

In the case of prolonged absence such as for illness, it is recommended that make-up assignments be requested by the parent. Arrangements can be made by contacting the school office, or by writing an e-mail to your child's teacher. Teachers will need adequate time to gather materials and information for these assignments. Assignments will be available for pick up in the office at the end of the school day. **Students will have the same number of days they were absent to make up the work (e.g. 5 days absent, 5 days). If make-up work is not completed in the time given, the students will not receive credit for the work.**

Grades 1 – 3	An average of 30 minutes per day for all subjects combined 3 to 4 times per week. No weekends or holidays.
Grades 4 – 5	An average of 60 minutes per day for all subjects combined 4 to 5 times per week. No homework assigned over holidays. Possible long-term assignments.

Breakfast and Lunch

Students will usually have two choices for breakfast and three choices for lunch on a daily basis. The cost for lunches is \$2.90, and the reduced price is \$0.40. The cost for breakfast is \$1.40, and the reduced price is \$0.30.

The county menu provides for two choices and a fruit or vegetable for lunch. Some students may choose to bring their own lunch from home. Milk, juice, water, ice cream, and various snacks may also be purchased. A price list for all items is provided for students at the beginning of each year. The Office of Food and Nutrition will allow your child to borrow funds in an emergency. We do not extend credit for snack items. If your child has exceeded the credit limit, he/she will be given an alternate meal of grahams and milk (breakfast) or cereal and milk (lunch). Please visit the link below to access the lunch menu:

<http://www.bcps.org/offices/ofns/menus/>

Student Nutrition Account Program (SNAP)

All Baltimore County Public Schools participate in the SNAP Program. This program allows parents to deposit money into a lunch account from which students may draw. Choices are given as to how the money can be allocated: for lunches only, for a cash account, or as a combination of the two. Each student will be issued a number code to use for purchases made in the cafeteria. Forms to deposit money will be sent home on the first day of school. If sending in cash throughout the year, please make sure it is in a sealed envelope and labeled with the student's name. This program has been very successful and we encourage parents to take advantage of the convenience and flexibility of this program.

Holiday Parties/ Birthdays

Holiday parties/celebrations vary from grade to grade. Your child's homeroom teacher will send home information as needed. Any treats provided **must** be purchased rather than homemade, due to the large number of students with food allergies. Nutrition labels are required. **Nutritious snacks are preferred. Please do not send in sugary sweets that have no nutritional value. We have found that many children develop stomach aches after high sugar snacks. Please consider granola bars, or other bars with some nutritional value.**

Please inform your child's homeroom teacher if you are bringing in a healthy birthday treat for your child. Birthday treats will be served in the cafeteria at the student's designated lunch time in order to keep the classroom clean. By county policy, **all foods provided to students must be purchased in a store, rather than homemade.** We apologize for any inconvenience, but this policy must be followed by everyone. ***Students may not distribute birthday party invitations at school, unless the entire class is included.*** When students are not invited to parties, it creates an embarrassing and often hurtful experience for the uninvited child, which directly impacts the instructional day in a negative way.

Dress Code

In order to create a positive and respectful learning environment at Timber Grove Elementary School, students should dress appropriately for a school environment. Due to safety reasons, children wearing flip-flops or sandals will **not be allowed** to play at recess, participate in PE class, or use the playground equipment. Students may keep tennis shoes in their locker to change into during these times. **We encourage all parents to support these guidelines.**

Field Trips

Field trips are scheduled to extend the students' learning experiences. Notices will be sent home describing each field trip. It is imperative that the required permission slip be signed and returned by parents, *at least 1 week in advance of the field trip*. It also gives teachers time to follow up on students who have not returned permission slips in order to eliminate confusion at the last minute.

If your child is absent on a field trip day, we are often unable to reimburse the field trip fee. The field trip fee is based on a predetermined number of students and the money is disbursed on the day of the trip. Often there is a need for several parent volunteers to accompany children. If you are selected to assist during a field trip please make every effort to attend since everyone is counting on you. **Siblings are not permitted to attend field trips.** **Students attending school sponsored field trips must ride the bus to and from the destination.**

Supervision on Field Trips

There are several items that are important for you to be aware of when you are acting as a chaperone on a field trip. You are assuming the supervisory responsibility for students and their safety.

- Chaperones are required to **complete the volunteer training** before attending a field trip.
- The application and completed certificate must be printed and on file.
- Volunteer training must be completed once each academic year.
- Chaperones may not take students off site.
- Cell phones should only be used if an emergency arises.
- Since field trips are part of the instructional day, **siblings are not allowed to attend** field trips.

Lost and Found

A lost and found collection is maintained by the school. Items not claimed at the end of each marking period will be donated to charity. **PLEASE label your child's apparel, school supplies, and lunch box/bag for easy identification and return.**

Lockers

Students may wish to keep tennis shoes, sweater, or sweatshirt in their locker for physical education class or recess on cool days. Food items may not be kept in lockers overnight. Money and other valuables should not be kept in lockers, since students may not put locks on the lockers.

Electronic Devices and Cell Phones

To prevent loss or damage, students should leave their electronics such as iPod, cameras, and hand held games, etc. at home. **Timber Grove Elementary will not be responsible for lost or stolen items.** Cell phones are permitted in school. However, they must be kept in backpacks, turned off, and only used in case of an emergency with the teacher's permission.

Bikes/Scooters/Skateboards

Please be advised that the school is not responsible for any lost or stolen bikes, scooters, or skateboards. There is a bike rack located in the rear of the school. However, if you choose to use it, we recommend using a lock to secure it.

School Nurse

Timber Grove Elementary has a full time nurse in the building, Mrs. Berringer. She provides first aid to sick and injured children and staff, serves as a resource person, provides health screening, and implements health related laws.

The health and well-being of your child are the nurse's primary concerns while your child is in school. In order to ensure and maintain his/her good health and safety, please take a few minutes to review the following guidelines:

- We attempt to discourage administration of medication in the schools: however, if your physician decides it is necessary for your child to receive a medication during the school day, the approval and specific directions must be provided to the school by the physician. **Parents must bring the medication to the school in the original box or bottle with the current prescription label on the container. All medications (*even over the counter medications*) require a written physician's order. Students are not to have medications in their possession or in their lockers at any time.**
- Please do not send cough drops to school, because these may be provided by the nurse. Please see the list of discretionary medications.
- Please keep all home, work, and emergency phone numbers at school up-to-date. When children become suddenly ill or injured at school, it is essential that we have current phone numbers.
- Please keep the nurse informed of significant changes in your child's health. For example: changes in diet, daily medication, new allergies, and changes in physical restrictions, vision and/or hearing impairment.
- The nurse asks that students in Pre-K, Kindergarten and First grade have an extra set of clothes in their locker in case of emergency (cafeteria spill, accident, etc.)

By communicating your child's special health and safety needs to us, we can ensure a safer and healthier school year.

Consent for the Administration of Approved Discretionary Medications

Baltimore County Public Schools has a program that allows for the School Nurse to administer discretionary medications in accordance with established protocols. These medications are Tylenol, Benadryl, Tums, Cough Drops, and Throat Lozenges. These discretionary medications are intended for occasional use only. This service is available to alleviate your child's minor discomforts and avoid early dismissals when possible.

YOUR CONSENT MUST BE OBTAINED BEFORE ANY MEDICATION CAN BE GIVEN TO YOUR CHILD. THE PARENTAL PERMISSION MUST BE RENEWED EACH YEAR.

When NOT to Send Your Child to School

- Vomiting more than once in the **previous 24 hours**.
- Uncontrolled diarrhea.
- Fever above 100 degrees - **need to be fever free for 24 hours before returning to school**.
- Pinkeye with white or yellow discharge - **need to be on medication for 24 hours**.
- Strep infections until 24 hours after treatment - **notify the school if your child does have strep**.
- Uncontrolled coughing - if your child has an asthma attack during the night or before school and is still experiencing wheezing or coughing. If s/he is asymptomatic and has medication in school, call the school nurse and she will monitor the student during the day.
- Extreme fatigue with no appetite accompanied by behavior change.

What if my child has a cold or sore throat?

- Take your child's temperature - if no fever, please send the child to school. (The Centers for Disease Control recommend a throat culture for any sore throat lasting three days or more).

Should I send my child if we get up late?

- Yes, being late is better than being absent.

Some ways to ensure a good start to a school day:

- Be sure your child has an appropriate bedtime.
- Have your child decide what to wear the night before and lay the clothes out.
- Breakfast is a must - many children who come to school without breakfast are fatigued by mid-morning.
- Breakfast is available for purchase each day before school starting at 8:00am.

Immunization Policy

All students attending a public school in Maryland are required by law to have their immunizations up-to-date.

Professional School Counselor

Timber Grove Elementary has a full time professional school counselor. The counselor's most important role is to help students become emotionally, behaviorally, and socially prepared for success in the classroom. She provides four major services to meet this goal. These services are whole group classroom guidance lessons, group counseling, individual counseling, and consultation. These services are provided to all stakeholders including children, teachers, and parents. Call the school office to leave a message for our school counselor.

Special Areas

The Vocal Music Program

The vocal music program provides students with the opportunity to enjoy and appreciate a wide variety of musical experiences on a regularly scheduled basis. Specific reading and math skills are enhanced by the vocal instruction. For example, in reading, music instruction promotes auditory discrimination, visual discrimination, gross and fine motor skills. In math, addition and subtraction, fractions, patterning, sequencing and problem solving are all enhanced by music instruction.

The program consists of: singing (including foreign language songs and games), listening/appreciation, rhythm, playing percussion and melodic instruments, movement/dance, reading, and composing.

Instrumental Music Program

Instrumental music begins in fourth grade with the Exploratory Music Program. Each fourth grade class participates in Exploratory Music once a week throughout the entire year in order to learn the basics of playing the violin, clarinet, and trumpet. During the twelve weeks on each instrument, the students will explore the other members of the instrument family.

With this experience and knowledge, students (if they desire) select an instrument of their choice to play in fifth grade. Those students will meet with the instrumental music teacher for lessons.

The Physical Education Program

All students at Timber Grove Elementary will be provided with and expected to participate in physical education classes. It is important that students be prepared for activities with appropriate attire.

- Tennis shoes and clothing that allows ease of movement are required for class. Dresses, skirts and dangling jewelry are prohibited on PE days. **No slip-on or flip flop shoes.**
- County policy prohibits unprepared students from participation for safety reasons. Parents will be notified of PE days so that you may help your child to be prepared for class.

The Art Program

All students at Timber Grove Elementary will have one 50 minute period of art instruction, each week throughout the year. The program at Timber Grove is based on: integrating classroom units of study with on-going art projects, exposure to the styles and techniques of famous artists, and implementing curriculum from the Baltimore County Art Guide. Student art work is on display year round and can be seen on the lobby walls and bulletin boards. Please visit and see our creative students!

Library Program

Students visit the library and check out library books on a weekly basis. Books are due back the following week. There is no charge for overdue materials; however, the report card grade will reflect the appropriate use of resources. Students who lose a library book are expected to reimburse the school for replacement. All books are due back before the end of the school year. Our library catalog is accessible 24/7 from any computer with Internet access. Visit <http://destiny.bcps.org>.

Audience Behavior

Students are expected to demonstrate appropriate behavior during all school assemblies and evening performances. Proper audience behavior includes sitting quietly and responding appropriately to the performance. *During evening performances, siblings must remain with parents at all times.* Parents should accompany children who need to use the bathroom or go out in the hallways. Should a child become disruptive parents are asked to take the child from the performance immediately. Following these guidelines will ensure the safety of all children and the enjoyment of the performance for all those attending.
