

## **Volunteer Training**

Baltimore County is now offering on-line volunteer training. To access this training, go to the following link to access instructions. Upon the completion of the online training, remember you must print out a certificate of completion and give it to Mrs. Lindenbaum in the front office. You will still need to get your license scanned for security purposes. If you are in need of computer access, feel free to come to TGE at 8:00 on the first Friday of every month to receive the training. As a reminder, you must be an approved volunteer to chaperone on any school trip, assist in the classroom or for PTA sponsored events. Thanks so much!
