

## On-line Volunteer Training

Baltimore County is now offering on-line volunteer training. To access this training, go to the following link to gain instructions. Upon the completion of the on-line training, remember to print out a certificate of completion and give it to Mrs. Lindenbaum in the front office. You will still need to get your license scanned for security purposes. If you are in need of computer access, feel free to come to TGE at *8:00 on the first Friday of every month* to receive the training. As a reminder, you must be an approved volunteer to chaperone on any school trip. Thanks so much!
